NOTES – CONDITIONS OF COMPETITION

Non-Metal Spike Policy (Release of Liability)

As a condition of all Michigan PGA conducted events, it is required that all professional and amateur participants wear non-metal spikes. Metal spikes of any kind, including the non-metal spikes with a metal insert, will not be allowed. Penalty for non-conformance with this policy is Disqualification (Teams – Penalty for non-conformance by any or all team members is team disqualification).

The use of spikeless/non-metal spike golf shoes may result in the participant slipping on wet or damp surfaces (inclusive of but not necessarily limited to turf areas, wooden areas such as bridges and pathways, etc.) and reduced traction on non-level areas of the golf course. As evidenced by the participant's decision to participate in a tournament, the participant acknowledges that potential dangers relative to the use of spikeless/non-metal spike golf shoes have been disclosed to participant and participant agrees to assume the risk of sustaining an injury arising from or attributable to the use of spikeless/non-metal spike golf shoes in a tournament. The participant here releases the Section and Section's officers, directors, members, employees, successors and assigns (the "Indemnified Parties") from any and all claims for loss or damage, inclusive of but not limited to personal injury, whether or not caused by participant's use of spikeless/non-metal spike golf shoes in connection with a golf tournament. The consideration for this release is the permission granted by Section to the participant to participate in the golf tournament. This release binds not only the participant, but also the participant's spouse, heirs, legal representatives and assigns.

CELL PHONE POLICY

It is recommended that cell phones be turned off and stored in the player's bag. If there is a situation where the player needs to use the phone their intentions should be announced to other players.

ALCOHOL POLICY

Alcohol consumption is not allowed during a stipulated round for the Michigan PGA, Michigan Open, Michigan Open Qualifiers, Michigan Section Match Play, Tournament of Champions, Michigan Section Assistants Championship, Senior PGA, Senior Open and Women's Open.

Unless otherwise provided, PENALTY for breach of an **Automotive Golf Car, Cell Phone Policy** and the **Alcohol Policy** is:

First Offense – Warning

Second Offense - Match Play – Loss of hole and Stroke Play – Two strokes.

Third Offense - Disqualification

In the event of a breach between the play of two holes, the penalty applies to the next hole

Pace of Play

The Rules of Golf require that a player must at all times play without undue delay and in accordance with the pace of play guidelines which have been established by the Michigan PGA Rules Committee as follows:

1. **Rule 5.6: Unreasonable Delay ; Prompt Pace of Play**

The player must play without undue delay. Undue delay is defined as taking more than **40 seconds** to play a stroke.

Penalty for Breach of Rule 5.6:

First Offense	Warning
Second Offense	One (1) Stroke Penalty
Third Offense	Two (2) Stroke Penalty
Fourth Offense	Disqualification

- Michigan PGA Officials will use discretion concerning the Pace of Play of early groupings. All groups of three (3) will be expected to play at a pace not to exceed (**4 hours 10 minutes) for 18 holes (see Pace of Play Time Charts).
- The lead group to start either from tee #1 or tee #10 in either the morning or afternoon wave will be considered out of position if, at any time during the round, they exceed the allotted time to play as detailed on the attached Pace of Play Time Chart.
- Any subsequent group will be considered out of position if, at any time during the round, they (a) exceed the allotted time to play (Pace of Play Time Chart) **and** (b) reach the tee on a par 3 hole that is open and free of play, or fail to clear the tee of a par 4 hole or a par 5 hole before that hole is open and free of play. Both (a) and (b) must apply for a group to be out of position. A group out of position will be notified that they are out of position and will be subject to individual timing.
- Other than on the putting green, the timing of a player's stroke will begin when he and his caddy have had a reasonable opportunity to reach his ball, it is his turn to play, and he can play without interference or distraction. Time spent determining yardage will count as time taken for that stroke.

On the putting green, timing will begin after a player has been allowed a reasonable amount of time to lift, clean and replace his ball, repair his ball mark and other ball marks on his line of putt and remove loose impediments. Time spent looking at the line from beyond the hole and/or behind the ball will count as time taken for that stroke.

A player will be allowed a maximum of **40 seconds** to complete his stroke. **NOTE:** An additional 10 seconds will be allowed for (a) the first to play a stroke from the teeing ground on a par 3 hole; (b) the first to play a second stroke on a par 4 or par 5 hole; (c) the first to play a third stroke on a par 5 hole; (d) the first to play a stroke around the putting green; or (e) the first to play a stroke on the putting green.

- If a player exceeds the time limit on one (1) occasion, he will be cautioned that if he exceeds the time limit on one more occasion (total of 2), he will automatically incur a penalty of one stroke, under Rule 5-6. If the player exceeds the time limit on one more occasion (total of 3), he will incur an additional two-stroke penalty. If a player exceeds the time limit a total of four (4) times, the penalty is disqualification.

NOTE: Timing will discontinue when the group has regained its position. Any timing exceeding the allotted time to play will be carried over for the remainder of the round.

****Time Varies for Each Event**

Automotive Golf Car Rules

- Players who choose to walk, must walk the entire stipulated round and employ a caddie to carry their clubs.
- Players who choose to ride, must have their clubs transported on a golf car, and you must ride from each tee to the area of the drive. Maximum of **two** golf cars per pairing, unless otherwise permitted

Note: Players are not allowed to walk during team events.

3. A person authorized by a player to drive the golf car is considered the caddie of the player. A caddie may or may not ride in the golf car.
4. Golf cars should not be taken from the car staging area until both players have arrived and are ready for play. Maximum of two golf cars per pairing, unless otherwise permitted.
5. When a golf car is employed by two players, the car and any person or thing in it is always deemed to be the equipment of the player whose ball is involved, except when the car is being driven by one of the players employing it, in which case the car and its contents are considered the equipment of that player.
6. Golf cars must not be driven up the sides of the green and/or tees. Cars should be driven on the paths as much as possible and across the fairway at a 90-degree angle. When so restricted, the cars must remain on the paths at all times.
7. It is imperative that all players return their cars to the staging area immediately upon completion of their round. Do not leave them at the various courses or their respective areas or parking lots.
8. Any golf cars not employed by contestants must be authorized by the Tournament Committee Chairman, Executive Director, Tournament Supervisor, Event Sponsor, or Host Facility.

Note: Due to terrain and/or distances between greens and tees, some courses are not conducive to walking. Section Staff will work with the tournament chairman, event chairman and host professional to make this determination. Players will be notified in advance if walking will not be allowed and it will also be noted on the local rules sheet.

Unless otherwise provided, PENALTY for breach of an Automotive Golf Car Rule is:

First Offense – Warning

Second Offense - Match Play – Loss of hole and Stroke Play – Two strokes.

Notwithstanding the foregoing, in the event that the Section determines that it would prefer that a Minor Penalty shall be submitted to the Board of Control for a hearing in lieu of action by the Section, then the Section Board of Inquiry will follow the same procedures set forth herein for all matters submitted to the Board of Control for Code of Ethics procedures.

2. MAJOR PENALTIES.

Within thirty days from the date of notification of a Major Penalty, the Participant may submit a written appeal to the Section Board of Inquiry. Failure to file such an appeal shall be deemed conclusively to be an admission of the charges specified in the notification.

Thereafter, the Section Board of Inquiry will prepare a report of the matter to the Board of Control and the matter will be set for a hearing before the Board of Control in accordance with all applicable procedures set forth herein for ethics appeals heard by the Board of Control. The Board of Control shall hear the appeal either at the next regularly scheduled Board of Control hearing or at an expedited meeting that may be held in person or via conference call at the discretion of the Chair of the Board of Control. The decision of the Board of Control shall be final. An appeal shall operate to stay the effective date of any penalty, except suspension from a Section tournament then in progress or scheduled for the calendar week in which the alleged violation occurred, until after a final decision on the appeal.

All fines must be paid within thirty (30) days from the imposition of the fine, or in the event of an appeal, within (30) days from the decision rendered by the Board of Control in the event the Board of Control upholds the findings of the Tournament Committee Chair.

MEDIA RIGHTS

By becoming a competitor in a Michigan PGA Sponsored or co-sponsored event, the competitor, in consideration of the opportunity to compete in the event, grants and assigns his/her individual media rights respecting participation in the competition, without exception to the sponsors.

NO OTHER REMUNERATION

By becoming a competitor in a Michigan PGA Sponsored or co-sponsored event, each competitor acknowledges that he/she is not entitled to remuneration of any kind for participation in the competition other than the prizes set forth for that event.

CHAPTER TOURNAMENT GUIDELINES

All Chapters of the Michigan Section PGA operate under the jurisdiction of the Board of Directors of the Section as governed by the PGA of America.

The following conditions are to serve as general guidelines to Chapters in the planning and conduct of their Chapter sponsored and/or co-sponsored tournament events. Each Chapter will produce and distribute their own detailed Rules and Regulations Manual, which must conform to the Section's Tournament Committee Regulations.

1. Chapters may not schedule an event on the same day(s) that any of the Section's established Championship events are being played without the prior approval of the Section Tournament Committee Chairman.
2. Chapter Tournament Schedules for the following year must be submitted to the Tournament Committee Chairman by December 1st for approval by the Board of Directors.

3. Chapter events may only be hosted by facilities within the Chapter boundaries.
4. Chapter Officers must be employed at facilities within the Chapter boundaries.

PGA PLAYING ABILITY TEST (PAT)

These Rules and Guidelines have been written to assist in administering the Playing Ability Test (PAT). It is of the utmost importance that these guidelines are adhered to. Failure to do so will invalidate the test and require the individual to retake it at another time.

DETERMINING TARGET SCORE

Successful completion of the test shall be achieved by shooting a combined score that does not exceed the target score. The target score is computed by multiplying the appropriate USGA approved course rating (which recognizes the appropriate course yardage for men and women) by two and adding fifteen to that number.

For example, if the course rating is 72.4, the target score would be $72.4 \times 2 = 144.8$. Drop the fraction .8 (after multiplying by two), leaving 144 and add 15 which equals 159. Regardless of how large or small the fraction may be, either from the exact course rating or the figure, which results from adding two course ratings and the 15 strokes, the fraction is dropped and not rounded. This procedure is based on the Constitution which states that a person must play a “creditable game of golf by making not more than the score” indicated for 36 holes. Women’s target scores will be calculated from women’s course rating. Women will play a course yardage ranging from 5,500 – 5,700 yards.

Effective 1/1/2003, a player may register into the PGA Professional Golf Management Program if he/she will: Attempt the PAT at least twice since 1/1/2003 and shoot one 18 hole score in a PAT since 1/1/2003 that is equal to or less than the PAT target score for 18 holes plus 5 strokes.

PAT RULES

The following are the rules governing administration of the PAT. In order to standardize the PAT, the following policies have been incorporated.

Between 30 and 60 players should attend and participate in each PAT. A minimum of twelve participants will be required in order to conduct a PAT.

Any individual interested in becoming a member of the Association may participate in a PAT anywhere in the country.

PAT SUPERVISION

Each PAT will be supervised by an Examiner who has been trained to conduct these events. The Examiner will work closely with the Host Professional to coordinate these events. All Host Professionals should be PGA Members.

5. Only golf courses with a USGA Course Rating may be utilized for PAT competition.
6. Sections have the option of utilizing two different golf courses for a PAT allowing competitors to play each course once.
7. All hazards and ground under repair must be appropriately marked.
8. Competitors do not have to be eligibly employed to participate in the PAT.
9. No adjustments are to be made to the target score due to course condition or weather. If conditions are severe, the PAT should be rescheduled.

REGISTRATIONS

- Registrations are taken in order of receipt at the PGA of America National Office and through PGALinks.com. There is a 14-day registration deadline for every PAT and an individual may be registered for only two PATs at any one time. The registration fee, paid at the time of registration, is \$200.00 and covers all onsite fees.
- Those who are employed in a capacity that gives them eligible employment or are registered PGA Golf Management University Program students may register for a PAT at any time prior to the 14-day registration deadline. Those not meeting this eligibility criteria may only register within the fourteen (14) days prior to the 14-day registration deadline.
- If it is found that an individual registered more than fourteen (14) days prior to the registration deadline and did not meet the above eligibility criteria, that individual will be suspended for two years from taking a PAT. If the individual has already played in the PAT, the score will be void.
- For schedule information or to register with an American Express, MasterCard or Visa, visit **PGALinks.com**, or call PGA Membership Services at (800) 474-2776.

WAITING LIST POLICY

- If a PAT becomes full before the deadline date, a wait list will be established. At the registration deadline a wait list report including the wait list registrants in order of registration is sent to the Section Office. To determine your wait list status, you may contact the PGA National Office prior to the deadline and the Section Office after the deadline. If there are any late cancellations or no shows the day of play, the Section will fill any remaining spots from the wait list, in wait list order, from those who present themselves on site. If a spot does not become available off the wait list, an individual should contact the PGA National Office at (800) 474-2776 to have the fees transferred to another available PAT or have funds refunded.

TRANSFERS/REFUNDS/CANCELLATIONS

- There are no transfers or refunds from a PAT inside the 14-day registration deadline unless it is a cancellation after passing a previous 36-hole PAT (this does not include meeting the 18 hole minimum PAT requirement) or off a wait list. An individual who passes the 36-hole PAT and is signed up for another, must contact the PGA National Office at (800) 474-2776, within three business days of passing the 36-hole PAT to have the funds refunded. A competitor, who is unable to participate in a PAT and does not notify the PGA National and Section Office at least 72 hours prior to the PAT, will be suspended from playing in another PAT for 90 days.
- A competitor who withdraws during play or no cards (does not complete and submit a card for two 18 hole rounds) will be suspended from competing in another PAT for 90 days from the date of that PAT. If a competitor is signed up for another PAT within the 90-day suspension period, that individual will be canceled from that PAT and the funds

will be refunded.

40

- An individual who cancels, withdraws or no cards due to injury or illness may submit medical documentation to the PGA National Office no later than three business days following the PAT for review for refund and/or waiver of suspension.
- If a PAT is canceled due to not meeting the minimum registrations, you will be notified by the PGA National Office. If a PAT is canceled due to weather, you should contact the Section Office.

DRESS CODE

- Female participants must wear slacks, culottes, walking shorts, or golf skirts which constitute acceptable clothing worn by women in connection with participation in professional golf tournaments. Male participants must wear slacks and participants shall not wear shorts anywhere on club property. Jeans are not to be considered slacks.

THE COMPETITION

The golf course must be set at least 6,000 yards for men and the women's yardage must be set at least 78%, but not more than 85%, of the men's yardage. The course must have a minimum USGA course rating of 68.0 for both men and women.

- Target score is determined by multiplying the USGA course rating by two (2) and adding fifteen strokes. (After multiplying, any remaining fraction is dropped.)
- "Lift, clean and place" cannot be invoked during a PAT. If conditions do not warrant playing the ball down, the PAT must be canceled and should be rescheduled. If a PAT is played under "lift, clean and place", that PAT will be invalidated and all scores will be null and void.

GOLF CAR

- Contestants' clubs must be transported on a golf car; no more than two cars per grouping. (Only players will be allowed to ride in the golf car.)
- Only two people are allowed to ride in the car at one time.
- When one car is employed by two players, the cart and any person or thing in it is always deemed to be the equipment of the player whose ball is involved, except when the car is being moved by one of the players employing it, the cart and its contents are considered the equipment of that player.
- Spectator cars are not allowed. Only official cars authorized by the Tournament Director will be allowed on the course.
- It is imperative that all players return their carts to the cart staging area immediately upon completion of their round. Do not leave them at the various courses or their respective practice areas or parking lot.

OTHER POLICIES

- To enter into the PGA Professional Golf Management Program, the registrant must

attempt the PAT at least once within two years prior to registration. Within that time frame, shoot one 18-hole score in a PAT that is equal to or less than the PAT target score for 18-holes, plus 5 strokes. Each PAT score has a validity date of two years. Any registrant who enters the PGA PGM Program without successfully passing the PAT, must pass the 36-hole PAT prior to registering for the Level 3 Checkpoint. The 36-hole PAT remains valid during the Acceptable Progress period. For more information on the PGA Professional Golf Management Program, visit **PGALINKS.com**.

- The PGA reserves the right to preclude an individual from participating in a PAT based on prior PAT scores that were unreasonably above the target score.
- There must be at least ten registrants in a PAT at the deadline in order for the PAT to be held.
- Tee times are sent by the Section prior to the PAT. If you do not receive this listing, you should contact the Section Office.
- A photo identification is required at the PAT site and lack thereof is cause for disqualification.
- If allowed by both the Section and golf course, caddies are permitted. However, only players will be allowed to ride.
- Only devices that measure distance only are permitted; cellular phones are not permitted.
- The use of alcohol is prohibited during play of the PAT.
- For conduct unbecoming a golf professional during a PAT, the registrant may be assessed a two stroke penalty. A second offense will result in disqualification. PAT participants are advised that actions determined by The PGA of America to be construed as conduct unbecoming a golf professional in any way connected with the PAT (without limitation unprofessional behavior displayed or unprofessional actions of any nature or description committed during practice rounds, the PAT test, or committed subsequent to the completion of a PAT) may result in the suspension of such an individual from participating in PATs for a period up to two (2) years at the sole discretion of The PGA of America.
- To preserve the integrity of the game and our PGA competitions, please be reminded that each player has the duty and responsibility to protect the rest of the field from questionable practices and Rules infractions. If you are doubtful as to the rights or procedure for either yourself or a fellow competitor, seek the counsel of the PAT Examiner.

The PAT schedule and deadlines are subject to revision. For an updated schedule visit **PGALinks.com**. All deadlines are based on Eastern time. For any questions regarding PAT policies, contact the PGA Membership Services Dept. at (800) 474-2776.
